

CIVIL CONTRACTOR · DELACOMBE VIC 3356

# Begbies Civil Contracting

Ballarat-based family-operated civil contractor for drainage, sewer, water, roads and earthworks.

## WHO WE ARE

Begbies Civil Contracting is a privately owned, family-operated civil contractor based in Delacombe, Ballarat, established in 2012 and drawing on a multi-generational earthmoving background. It delivers drainage and pipe laying, sewer and water infrastructure, road construction, VEDN works, bridges and culverts, earthworks and plant hire across western Victoria. Its fleet runs GPS machine control and the business is certified to the CCF Construction Management Code.

## AT A GLANCE

|                  |                                                                                                                                                                                  |
