

CIVIL CONTRACTOR

CRE Excavations Pty Ltd

Drouin-based sewer and water main construction contractor serving Gippsland and south-east Melbourne.

WHO WE ARE

CRE Excavations is a civil construction business based in Drouin, Victoria, built by owner Craig Rees over 35 years. It specialises in sewer main and water main construction, from single-day residential connections to multi-month trunk main projects. Clients include property developers, water authorities, engineering consultants and private owners across West and South Gippsland, the Latrobe Valley and Melbourne's south-east.
