

CIVIL CONTRACTOR · NORTH GEELONG VIC 3215

Geotest Civil Services

NATA-accredited construction materials testing laboratory based in North Geelong.

WHO WE ARE

Geotest Civil Services is an independently owned NATA-accredited public testing facility in North Geelong, trading under its current name since 2005 and led by Rod Bennett. It provides site investigation, field sampling and compaction control, and laboratory testing of construction materials for government, developers, contractors and consultants. Its service area runs from Melbourne to Camperdown.
